

*You are invited to the launch of the
South West 1812 WEBSITE*

And

Fairfield Museum – 1812 Peace Garden Dedication

Learn about the **commemorations, events, projects** and **sites** in this historically significant region. The South West 1812 Website will be the hub of bicentennial information for the South West. Please join us as we commemorate
200 years of Peace between our Nations.

Experience the Dedication of the ***Fairfield Museum – 1812 Peace Garden.*** Fairfield Museum is ideally suited to a peace garden as it was a Moravian settlement, devoted to peace which was burned by Americans following the Battle of the Thames in 1813. What better way to commemorate our 200 Years of Peace than by dedicating a Peace Garden – which features extensive garden that includes native heritage species of flowers and grasses.

Friday, August 12th – 2:00 p.m.

Fairfield Museum

14878 Longwoods Road, Thamesville, ON N0P 1C0 (#2 Hwy between Thamesville and Bothwell)
